MORIN Companies open NEW FACILITY in Mobile, AL!!!!!!

"Better prepared today to serve the needs of our valued customers throughout the Southeast"

It is official!!! The Morin Companies including Morin Repair Services, Morin Process Equipment, Morin Valves & Controls and the newly established Morin Marine with current locations and facilities in Birmingham, AL and Decatur, AL servicing the greater Southeast has OPENED THE DOORS in Saraland, AL just outside of Mobile, AL and are excited to announce the opening of the newly established 20,000 SF facility located in the heart of the Gulf Coast. The facility repairs, services, supports and supplies all pump types, heat exchangers valves/actuators, blowers, fans, steam injection heaters, strainers / filtration, vacuum pumps, agitators / mixers, lined piping systems and other process equipment. The facility is already staffed with an amazing team of approximately 20 plus of the best sales engineers, inside sales and repair technicians.....ready for action in addition to our 100 plus strong count and growing Morin Team and locations for your immediate and unsurpassed support!

ADDITIONAL CAPACITY

- Rotating equipment repair facility / heat exchanger repair facility
- Distribution and local support & stock for the gulf coast region
- Highly trained outside sales engineers for on-site assistance and service
- Highly trained inside sales staff members ready for immediate support
- Highly trained technicians ready for local support and service on your equipment
- Trucks and trailers ready for local pick up / deliveries and logistics with CDL drivers
- Training rooms for technical sales training of your facilities
- Support for all industrial and municipal facilities
- Support for marine and ship-building industry

CUSTOMER VALUE

With the Saraland addition, we are proud to extend the Quality, Service & Excellence that our customers expect and deserve and as we continue to grow throughout industry to support the great needs in the plants, on the ships and in the field on a daily basis! With the continued growth now in excess of 100 employees, we continue to interview the wonderful people in the Gulf Coast region that are looking to be a part of the MORIN TEAM!!! Machinist, mechanics, rotating technicians, engineers and more!!

We thank all of our customers for their amazing support in this venture and look forward to GROWING together with this investment and support of your facilities and ships!
